No. C 7839/36

Station Madras, *Dated the* 4th November 1936.

From (Name) T. Austin Esquire, I.C.S.,
(Designation) Registrar of Co-operative Societies.

To The Secretary to the Government of Madras.
Development Department.

Sir,

Government are aware that the arecanut gardens in Puttur and Kasaragod Taluks of the South Kanara District are affected by Mahali Pest. Both the Hon'ble Revenue Member and the Hon'ble Minister for Public Works have visited the area. I have since permitted the Deputy Registrar, Mangalore to register a co-operative society for the two Taluks.

2. The main function of the society is the provision of credit for the purchase of sprayers, and spraying materials and for payment of wages for the spraying operation which has to be conducted three or four times a year in each garden. It can also pool the require-

ments

requirements of the members and place orders with manufacturers and suppliers for the supply of sprayers and chemicals and thus try to get them at cheaper rates.

3. The South Kanara Co-operative Central Bank has agreed to finance the society to enable it to give loans to its members for the purchase of sprayers and chemicals but it has resolved that "a special inspector of the department should be placed for working this society." This request is reasonable and it is in the interests of the society. The area of operations of the society extends to two taluks and effective supervision is necessary for its proper working. The non-official workers cannot be expected to devote their whole time to the work of the society and it is therefore essential that a departmental inspector should be put in charge of the society to write the accounts, to attend to collection work and other matters connected with its working. Being a new institution, it has no funds to meet the cost of the staff required to run it. A large number of people in the two taluks depend upon arecanut cultivation for their livelihood and I feel that Government should render necessary help to relieve the distress caused on account of the Mahali pest. The Agricultural Department has already sanctioned temporarily, a staff of fieldsmen and maistries to clean the affected gardens and to take other measures to exterminate the pest. The proposed society will be able to do a great deal to combat the disease. I understand that the Director of Agriculture is of opinion that of effective measures are taken, the pest can be entirely eliminated in the course of three years. The society can go into liquidation after this period. In the circumstances, I request that Government may be pleased to sanction a Junior Inspector for the South Kanara District for a period of three years to manage and supervise the society. This proposal may be treated as urgent and the staff sanctioned

Establishment — Taluk Servants — 'Mahali' Post

Prevention Coop. Society — S. Kanara Dt

From the Registrar Nos. Co. 639/36 P. 4.11.36

To the

Please see the proposals of the Regr

in the c/f. He reports that a society for
prevention of 'Mahali' Post in Arecanuts
has been started
for the two taluks of Puttur and Kasaragod
taluks in the S. Kanara Dt which are now
affected by the Pest. The object of the society
is the provision of credit for purchase of sprayers
and spraying materials and for payment of
wages for spraying. The S. Kanara Central
Bank will finance the society. The Regr recom-
mends that a junior inspector may be em-
ployed in the society for writing the accounts pa
attending to collection work and other matte
as the society cannot afford to meet the cost of the
staff. It is proposed to sanction a new inspr
for creation of the post. The Regr requests
that the inspector may be sanctioned for three
years.

~~A draft order is submitted for approval. It may be sent to Finance for acceptance.~~

16/11/36 The following remarks are called for on the proposal.

(1) The Agl. Dept. proposes to stock sprayers and chemicals in ~~select~~ convenient centres. Here with then be no need for a society to do the same work over again. A society with jurisdiction over the Taluk may not be able to do the work effectively

Agr proposal not + Fin: Committee at (M)

(2) In regard to provision of credit, any rural society in the area may ~~desire~~ give this and, if there are no such societies, the ryots can get loans from the Rev. Dept. under the Agriculturist Loans Act

The pest has done very extensive damage. I do not think the existing agl or co-op Societies to combat the pest will prove helpful for loans. Let them take special steps. Credit A K 17/11

(3) In spite of these facilities the ryots want a society, they may have it provided they do not require Govt. staff to manage its affairs.

If however the proposal may be sanctioned, the draft order below is for approval and it may be sent to Finance for acceptance. + Public (1).

16/11/36

I see no reason in any case for sanctioning the staff for 3 years. We may at present agree to a Junior Inspector being employed at Govt Cost for one year.

10

It would be useful to have a co-operative society to take over on payment the sprayers and chemicals the two special agricultural demonstrators will soon have with them for sale. It will relieve the Deputy Director of the work involved in the grant of many petty loans to ryots under the Agriculturists' Loans Act and the transfer of the work of collection of such loan instalments. This in any case would be a quicker method of getting the sprayers and attacking the pest. But in a district like South Kanara one would expect to find a suitable person to function as Secretary. Apparently the Central Bank does not propose to trust any non-official agency and is rather anxious about the money. I suggest that a junior inspector be put in charge of the society for six months to begin with for keeping accounts and other supervision and that the Registrar be told that the society should make its own arrangements thereafter.

For Public Service } 4/0

Finance (E.II).

A co-operative society has recently been registered in the South Kanara district for the provision of credit for the purchase of sprayers, spraying materials and for payment of wages for the spraying operation, in connection with the eradication of the Mahali pest affecting the arecanut gardens in Puttur and Kasargod taluks of

4

that district. Development propose to place at the disposal of this society, free of charge, for a period of six months, the services of a junior Inspector of Co-operative societies to manage and supervise the society in the initial stages. The average extra cost involved in the proposal is Rs 408 inclusive of leave and pensionary contributions.

2. The object of the proposal is to relieve the distress caused on account of the Mahali pest. When the services of Government officers are placed at the disposal of co-operative societies, the cost on account of such officers is usually recovered. In special cases, however, the cost is not recovered for instance, the Government have allowed the services of Co-operative department officers to be utilised by Central and Primary Land Mortgage Banks free of cost in the initial stages of their working. Submitted that, following this precedent, the present proposal to lend the services of a Junior Co-operative Inspector for six months free of cost may be accepted in Finance.

Order / Resolution Ms. ~~Roll~~ No. 2222 dated 8.11.1936

DF 7.11.36

The following rules which have been published in Fort St. George Gazette dated 3.11.1936 are hereby sanctioned by the Governor in exercise of the powers conferred by rule 44 of the Civil Services (Classification, Control and Appeal) Rules, the Local Fund hereby makes the following special rules:

Rules

(1) The cadre of Category 3 (Junior Inspectors) of the Madras Co-operative Subordinate Service shall be increased temporarily by one post for a period of six months or the period of

commencing
year from the date of employment ~~as~~ ~~apprentice~~
for being employed in the 'Mahali'
Post Prevention Coop. society,
S. Kanara Dt

(2) The general and special rules applicable to holders of permanent posts borne on the said cadre shall apply to the holders of the said temporary post, subject to the modification that there shall be paid to the holder of the said temporary post a pay calculated at the rate of Rs ~~40~~ 35/- p.m.

Provided that nothing contained in ~~this~~ such shall affect the operation of the rules published with Pub. (Ser) Dept notn dated the 17th April 1930 at pages 1 to 57 of the supplement to Part I of the Fort St. George Gazette dt. the 18.4.33 as subsequently amended.

Explanation. The holder of the said temporary post" means the person counted against the said temporary post.

2. The Govt consider that the society should make its own arrangements, after the period of six months for which the temp. post is sanctioned, for attending to collection and other work and for keeping accounts.
